Dear Dr. Junaedi,

We invite you to proofread your manuscript prior to publication:

Manuscript ID: Agri-272

Type of manuscript: Research article

Title: Seed Attribute Evaluation of Genotypes for Developing Direct Seeding of Rice Cultivation

Authors: Ahmad Rifqi Fauzi, Ahmad Junaedi *, Iskandar Lubis, Munif Ghulamahdi, Hajrial Aswidinnoor, Jun-Ichi Sakagami

Please read the following instructions carefully before proofreading:

- 1) Currently, doi links for references have been added to this journal template. Please refer to the journal homepage or the attachment to add the links of the references. Please click the link below for quick doi enquiry:
<https://doi.crossref.org/simpleTextQuery>
- 2) Download the manuscript from the link provided at the end of this message and upload the final proofed version at the same link within 48 hours (NULL working days). If you experience any difficulties, please contact the AIMS Agriculture and Food Editorial Office.
- 3) Please ensure that any blinding of the paper, including self references, for peer review purposes are now corrected and entered as should appear for publication.
- 4) Please use Microsoft Word's built-in track changes function or comments to highlight any changes you make, or send a comprehensive list of changes in a separate document. Note that this is the *last chance* to make textual changes to the manuscript. Some style and formatting changes may have been made by the production team, please do not revert these changes.
- 5) All authors must agree to the final version. Check carefully that authors' names and affiliations are correct, and that funding sources are correctly acknowledged. Incorrect author names or affiliations are picked up by indexing databases and can be difficult to correct.

After proofreading, final production will be carried out. Note that changes

to the position of figures and tables may occur during the final steps. Once a paper has been published online we will not accept any corrections or changes to the published version - please refer to UCL Press editorial policies for further information. Any changes agreed to the article made later will be published separately via a Correction or Addendum.

Please download the final version of your paper for proofreading here:
