**Call for Papers**

International Journal of Innovation, Creativity and Change  
ISBN 2201-1323

The IJICC is one of the largest, most read and cited academic journals in the world and publishes scholarly work that promotes and fosters innovation, creativity and change in all fields of endeavour. The focus is on papers that will be influential in their field or across fields and will significantly advance understanding in those fields. The journal is listed with a number of academic indexing services chiefly the [Excellence in Research Australia Journal List](#) (Journal #200761)

The IJICC accepts original papers, review papers, conceptual framework, analytical and simulation models, case studies, empirical research, technical notes, and book reviews. Special Issues devoted to important topics are also published on application.
