Dear Editor-in-Chief,

We are sending back the revised WORD file following your guidance, now marked with yellow highlights.

Here are some comments/corrections made:

1. Regarding AQ1 in the PDF requesting the article's volume number, upon revisiting the website, there is no volume and issue number as the article is under FirstView. does not display volumes and issues. Therefore, for AQ1, we cannot write down the volume and issue in the article. Please find the link below:

 - FAQ on FirstView: <https://www.cambridge.org/core/services/aop-file-manager/file/577e808b39192d233779a550/Cambridge-Core-author-guide-Journal-Production-FAQs.pdf>
2. In Figure 6, panel c, page 7, the term "Religiositas" has been corrected to "Religiosity."
3. Mistype on page 10, where it said "Table 3, column (2)," has been corrected to "Table 2, column (2)."
4. An additional reference has been added on page 15.

We hope these changes align with editorial standards, and we eagerly await your feedback.
